Salisbury Newsletter

Welcome to the Salisbury Newsletter for **June 2026**!

May 29, 2026

Welcome to our municipal newsletter that will provide an overview of Council decisions, municipal programming, and highlight certain community activities and initiatives. The newsletter will be distributed via email and will be available here on our website and at Town Hall.

CN to Undertake Full Rehabilitation of Crossing at Reeder Rd.

On behalf of CN, the Town of Salisbury wishes to advise residents and motorists of upcoming work to undertake a full rehabilitation of the railway crossing on Reeder Road.

Location: Reeder Road at the railway crossing.

Date and time: Thursday, June 4, 2026, from 7:00 AM to 4:00 PM (estimated)

Work details: This road closure is required to allow for urgent CN railway crossing repair work at the crossing to maintain safe conditions for rail and road users.

Traffic impact: A temporary single-lane crossing will be constructed starting on Saturday, May 30, for the duration of this work, allowing for access to Reeder Road and Morgan Drive. The road will remain open while the temporary access is constructed. Signage and flaggers provided by AVP will be in place while railway work is ongoing on June 4. Delays accessing and departing Reeder Road should be expected for the duration of the work.

Any questions can be forwarded to contact@cn.ca or by calling 1-888-888-5909

Congratulations to SRS Class of '26!

June is Graduation Month at Salisbury Regional School.

Town Council and staff at Salisbury Town Hall congratulate the SRS Class of 2026!

We are proud of you and your achievements and wish you all the best in your future endeavours!

ParticipACTION Community Challenge Returns!

In June 2026, we're aiming to be named Canada's Most Active Community — and we need YOUR help to make it happen!

Salisbury has a strong history in the ParticipACTION Community Challenge. In 2023, Salisbury earned the title of Canada's Most Active Community, and in both 2022 and 2024, we were recognized as New Brunswick's Most Active Community. Now, in 2026, we're setting our sights on bringing home the national grand prize once again!

Are you part of an organization, club, or activity group interested in participating in the Community Challenge? Visit the ParticipACTION website to register your organization or activity group. Individual participants do not need to register — simply join in and take part in as many activities as possible throughout the month!

Looking for FREE ways to get active, try something new, or connect with the community this June? There's something happening almost every day, including:

• Morning walking groups

• Zumba classes

• Yoga sessions

• Pickleball tournaments

• Basketball tournaments

• And much more! (See our full June schedule on the next page.)

Be sure to come to our **ParticipACTION Kick-Off** event on **Saturday, June 6, 2026, from 1:00–3:00 PM at Highland Park!**

https://www.facebook.com/events/1679381979878104

View our full activity schedule and more on our **ParticipACTION Community Challenge** page at the Town website:

Town Receives National Award for Environmental Leadership

This week, the Town of Salisbury received a national award for environmental leadership and sustainability for the new Salisbury Fire Rescue Station.

The award, presented at the Canadian Association of Municipal Administrators (CAMA) conference, recognizes the environmental leadership integrated into the new station that makes it net-zero ready. The award was one of eight awards presented out of this year's 41 submissions that recognizes innovation in municipalities across the country.

New Town Council Elected on May 11

There are three new Town Councillors in Salisbury following the municipal election held Monday, May 11, 2026.

Elected to represented Ward 4 is Krista Ingraham-Côté, filling a position that had been vacant for 10 months following the resignation of Joe D'Ettore, who had to step down after retiring and moving.

Joining Ingraham-Côté as a first-time councillor are Glenn McLaughlin, who was elected in Ward 1, and Holly McNeil. McNeil joins re-elected incumbents Stephanie Thorne and Nathan O'Blenis in Ward 3, the former Village.

Meantime, Jason Gallant was re-elected as Councillor-at-Large. Acclaimed were Mayor Rob Campbell and Ward 2 Councillor, Phyllis Bannister.

The Council-Elect dove right into the orientation process later that week to continue acting on the priorities of the Town.

The new Council will be sworn-in during a Special Council Meeting to be held on the evening of June 8, 2026, in Council Chambers at Town Hall (56 Douglas St.).

The week before residents of Salisbury went to the polls, a final Special Council Meeting had to be held by the previous Town Council. Here are the highlights:

- With regards to the Town's recent land acquisition and land transfer to the Province to be used for a planned new Salisbury Elementary School, Council approved the street name and location, being Becksfield Drive off River Road, in the approved subdivision plan as recommended by the Southeast Planning Review Adjustment Committee (PRAC).
- Council also approved the related Land for Public Purposes (LFPP) in connection with the same purchase and transfer of land earmarked for the new school, with the Province agreeing to provide the LFPP on another site needed by the Town for its trails instead of on the new school site. This involved Council first approving $1 cash-in-lieu of LFPP at the planned school site, and then approving a separate motion to receive LFPP at the other property located around the boardwalk approach to the Wetland Trail.
- Council also approved the securing of interim financing for the school land deal, should it be needed before the Municipal Capital Borrowing Board's debenture-call, which is expected this Summer or later this Fall.
- A tender award was approved for three different sections of trail work this Spring (SALS2026-08 to JK Fraser & Sons Ltd. in the amount of $871,456, excluding HST), specifically to connect the riverside trail with the Salisbury Baptist Church property through the future school site, connect the Wastewater Treatment Plant to the ATV trail through the Silver Meadows neighbourhood, and provide a detour trail connection for when the Province's transportation department (NB DTI) replaces the P380 bridge in 2027.
- In a separate motion, Council approved the combined funding agreement with the Regional Development Corporation (RDC) of New Brunswick for the aforementioned trail project and for the storm sewer extension taking place on River Road.

Mobile Eco Depot Returns to Salisbury in June

As you know by now, garbage collection changes that took effect last year means there are no longer any bulk Spring clean-up days for many of us. This change makes Mobile Eco Depot visits that much more important, as it provides an opportunity to drop off bulk garbage items. These aren't just for hazardous waste!

Mobile Eco-Depot will be in Salisbury this month, on **Wednesday, June 24** and **Thursday, June 25**, each day from 12:00 (noon) until 8:00 PM in the parking lot at Salisbury Baptist Church at 3128 Main St.

Also, as a reminder, residents are welcome to place ONE bulk item at the roadside on any collection day when CLEAR BAGS (that is, garbage) are picked up.

Please note that on these clear bag weeks, it will likely be a second garbage truck collecting your one bulk item, and that bulk collection will take place at a later time than the regular collection, and perhaps even a day or two later, depending on demand that particular week for bulk items.

Eco360 appreciates your patience!

Did you know Salisbury has a location where you can take glass bottles and jars to be recycled?

Southeast Eco360 Glass Recycling bins, for clear glass and coloured glass, are located in the lower parking lot of the Salisbury Pharmacy property at the corner of Main and Douglas streets.

For information on Eco360's Glass Recycling program, visit them online at https://www.eco360.ca/glass-recycling-program.

Eco360 is bringing back **Glass Wednesday** events!

- Salisbury – June 24, Guardian Pharmacy, 3154 Main St.

On Glass Wednesday, free plastic bins will be provided to residents who drop off glass on that day.

*** Please note that these bins are NOT intended for curbside collection. ***

These bins are intended for residents to store glass in their homes between visits to the glass recycling bins.

More Reminders from Salisbury Town Hall

Dog Tags

As noted in previous editions of the Salisbury Newsletter, all dog owners in the Town are expected to get a licence for their dog. 2026 Salisbury Dog Tags are available for purchase at Town Hall at 56 Douglas Street. (Silver Fox Veterinary Medical Centre no longer sells Dog Tags.)

Currently, since it is past the March 31 deadline to avoid late fees, Dog Tags now cost just $30 for spayed or neutered dogs or $45 if the dog is not spayed or neutered. Proof of vaccination by a licenced veterinarian must be provided when buying a Dog Tag. You also have the option of purchasing a Dog Tag online via this link. (Please note that when purchasing online, a small fee for processing and mailing is added to the cost of the Dog Tag.)

As has been the case in recent years, Animal Control in Salisbury is handled by New Brunswick SPCA – call 1-877-722-1522 with any issues related to dogs.

By-law No. 10, A By-law Relating to the Establishment of Control of Animals in Salisbury, along with any other Town By-laws, can be read online at www.salisburynb.ca/municipal-office under the “Meet Your Council” section.

Sewer Bills (in former Village)

For residents of the former village area of Salisbury (represented on Council as Ward 3) who are connected to municipal sewer system, the 2026 bills have been considered overdue since March, meaning 2% interest can be applied each month.

Payment for those on this system can be made by:

- cash, cheque, debit or credit at the Municipal Office at 56 Douglas Street in Salisbury
- by e-transfer to finance@salisburynb.ca (must specify your account number, and the password to use is: sewer2026)
- with Service New Brunswick (SNB) by phone at 1-888-762-8600
- with SNB online at www.snb.ca (under Make a Payment, select Water and Sewer Bill, and then Salisbury)
- with CIBC Online Banking or Advanced Savings Credit Union Online Banking

Sewer Bills (in Spring Garden Subdivision - payable to GNB, not the Town)

Please note that the sewer system for Spring Garden Subdivision in Boundary Creek (represented on Council as Ward 1 of the Town) is NOT managed by the Municipality of the Town of Salisbury; rather, it is still run by the Province of New Brunswick.

Sewer payments for residents of Spring Garden Subdivision can be made to Service New Brunswick, including online via www.snb.ca (under Make a Payment drop-down menu, select Water and Sewer Bill, then click on Other Community Water and Sewer Payments, and then use the drop-down menu to select Spring Garden Subdivision Salisbury).

Apply for a Streetlight

If you think your rural neighbourhood would benefit from a street light; for example, at a dark intersection, you can put in a request with the Town of Salisbury.

Forms for new street lights in the former local service districts can be found online at: https://salisburynb.ca/streetlights/.

More on this and other Town policies at: https://salisburynb.ca/policies/.

When Crime Happens, How Do You Report It?

The P3 Tips App is a modern and secure platform that enables residents to anonymously share information with police about suspicious or criminal activity.

The app is free, easy to use, and available on both iOS and Android. It offers a simple and safe way for citizens to contribute to community safety, without fear of retaliation or having to reveal their identity.

As many of you have shared over the past few months, our communities are deeply concerned about crime, yet some residents hesitate to contact police directly. The P3 App, in partnership with Crime Stoppers, bridges that gap. It encourages civic participation while protecting anonymity, ultimately helping law enforcement solve cases more efficiently and reduce crime at the local level.

DID YOU KNOW? | ONLINE CRIME REPORTING (OCR)

Online Crime Reporting provides an alternative way for New Brunswickers in an RCMP area of jurisdiction to report certain non-emergency crimes without calling the police or visiting a detachment.

Online crime reporting is not intended to replace other forms of reporting crime. Always call 911 in an emergency.

The RCMP non-emergency line is 1-888-506-RCMP.

HOW DOES IT WORK?

The easy-to-use website guides you through a series of questions to provide the police with information about your incident.

At the end, you will receive an email confirmation with an incident number and a report, which can be used for insurance purposes.

15 MINS.

Completing the report takes about 15 minutes.

All reports submitted via OCR are reviewed by the RCMP and entered into the RCMP's record management system.

A police officer will contact you if more information is required.

WHAT CAN I REPORT USING OCR?

- Animal Call
- Damage/Mischief Under $5000 to Property
- Damage/Mischief Under $5000 to Vehicle
- Driving Complaint
- Found Property
- Hate Motivated Incident
- Hate Motivated Incident - Online
- Hit and Run to Property
- Hit and Run to Unoccupied Vehicle
- Hit and Run to Unoccupied Vehicle or Property
- Lost Licence Plates or Decals
- Lost Property
- Stolen Licence Plates or Decals
- Theft of Bicycle Under $5000
- Theft Under $5000
- Theft Under $5000 from Vehicle

WHY SHOULD I USE OCR?

- It's available 24/7.
- There's no need to visit or call a detachment.
- It provides a report that can be used for insurance purposes.
- It contributes important information to assess crime trends.

DO NOT USE OCR IF:

- The stolen property includes firearms, credit cards, or personal identification (e.g., driver's licence or passport).
- The value of stolen or damaged property exceeds $5,000.
- There are witnesses or video evidence of the crime.
- Incidents that do not meet the criteria for OCR are directed to the RCMP's non-emergency line 1-888-506-RCMP.
- Call police or 911 immediately if the incident is still in progress, or if it is an emergency.

Have content for the Newsletter?

If you have content for an upcoming Town of Salisbury Newsletter, we'd love to hear from you! Please email info@salisburynb.ca no later than the 5th day of the month if you have content you would like to have considered for an upcoming edition. Please note: the primary purpose of the Town of Salisbury is to promote services, event, and information from the Town, in addition to community items of public interest.

In order to be considered, any content submitted MUST:

• Be related to, or happen in, the Town of Salisbury boundaries;

• Not be related to, or promote/advertise for, an organization that has a primary function of making a profit (unless the event or content is determined to be a community event or be in the general public interest);

• Not be partisan in nature (advocate for or against one position or another in a political manner, that advocate for or against any political candidate, that is considered a political topic in nature that could be perceived as endorsed by the Town);

• Not advocate for or against any religion group or organization;

• Not include any profane language, sexual content, content that promotes, fosters, or perpetuates discrimination of any kind, defamatory statements, content that advocates violence or unlawful activity, or which poses a threat to public safety or security.

The determination of whether or not content can be included, whether it be for a matter of space or a perceived violation of the aforementioned guidelines, rests exclusively with the Town. The Town shall have first priority on space for items in newsletters and reserves the right to modify content submitted for length, grammar, etc. as needed.
